Green Burial Caskets & Shrouds

updated April 3, 2024

Shrouds

This shroud by Kinkarako is made with a built in back board and is suitable for burial in any of Washington's green burial cemeteries. This shroud is included in all of our burial packages as a green burial substitute for the Whitman Casket.

If planning on using a shroud only in a conventional cemetery,
please first check with your cemetery provider.

The Purelight® Linen Shroud by Kinkarako includes a built-in backboard and lowering straps to aid in the transport and burial of your loved one without the need of a casket or container.

Weight tested to 275lb

Eco-Friendly Woven Caskets

These eco-friendly caskets by Passages International are approved by the Green Burial Council and meet regulations for burial in a Natural Burial Ground.

All are crafted by hand from sustainable materials such as fast-growing willow, seagrass and bamboo which don't require heavy machinery for harvesting, giving them a small carbon footprint.

Caskets include an unbleached natural cotton liner, matching pillow and privacy shield.

5% of proceeds from all woven caskets will be donated to the
Funeral Financial Assistance fund with People's Memorial.
